

ANNUAL REPORT FOR 2005 OF THE ACTIVITIES OF THE KVCV-FOOD SECTION.

(see also the website of the KVCV-Food Section: www.kvcv.ugent.be)

Besides the 5 plenary meetings of our Working Party (on 20.01, 24.03, 19.05, 08.09, 17.11.2005) and a lot of commission meetings, we organised in 2005 the following activities:

- **Symposium “Trends in de Levensmiddelenanalyse V”** (Trends in Food Analysis, 5th edition) on Thursday the 26th of May in the Faculty of Pharmaceutical Sciences of the University Gent: with more than 150 (mostly young) participants for a programme consisting of 6 plenary lectures, 55 scientific posters and 14 posters concerning analytical services offered by laboratories and 17 commercial exhibition stands on analytical instrumentation.

- **Social activity** for the members (with partners and children) of our Working Party on Sunday the 11th of September in the Hageland region, consisting of a rural dinner, a walk through the Hageland vineyards and finally a degustation of the different local white wines.

- Participation of 5 members of our Working Party to **EURO FOOD CHEM XIII** in Hamburg (Germany) from 21 to 23 September.

Gent, February 23, 2006.
