*RE: Letter of Information*

Dear Colleagues,

Please register for the **Euroanalysis XV Conference, Innsbruck, Austria 6-10 September 2009** (<http://www.euroanalysis2009.at/>)! The deadlines have been postponed to **May 25 for Oral presentations** and to **June 15 for Poster presentations**. The Organisers Wolfgang Buchberger and Wolfgang Lindner have done a great effort to ensure that Euroanalysis opens in a new inspiring version with focus on science. Please download 2<sup>nd</sup> Circular from Euroanalysis website and distribute information to Universities and Companies.

Many thanks are due to the **Robert Kellner Lecture (RKL)** jury comprising Alan Townshend (Chairman), Miguel Valcarcél, Elo Hansen, Reiner Salzer and Wolfgang Lindner, who finished their work and announced that **Boris Mizaikoff** is awarded the **Robert Kellner Lecture 2009**. Bo Karlberg announces the Awardee on Wednesday morning of the Conference.

The **European Analytical Column no. 37** of the EuCheMS Division of Analytical Chemistry has recently been published in several Newsletters and Journals where **Manfred Grasserbauer** contributes as Guest Author.

The Members of the **Steering Committee (StC)** of DAC Bo Karlberg (Chairman), Jens Andersen (Secretary), Paul Worsfold, Wolfgang Buchberger and George Horvai met on April 19 in **Tallinn, Estonia**. Following the StC Meeting, a **Symposium on Analytical Chemistry** was organized by Mihkel Kaljurand and by Mihkel Koel on April 20. All Members of the StC

A report template will also be available at the DAC website. The **2010 AM** will be held in **Nuremberg** in conjunction with the **3<sup>rd</sup> European Conference on Chemistry, 29 August - 2 September 2010**. A flyer of the 3<sup>rd</sup> European Conference on Chemistry in Nuremberg 2010 is now available for distribution.

DAC focuses on extending and strengthening the **networking among Analytical Chemists** and the Divisions of EuCheMS. Therefore, liaison persons of the Divisions are invited to contact the DAC on a regular basis and to use the facilities offered at the DAC website, including the **EAConWeb** database containing information on European Analytical Chemists. The Database is maintained by the Chairman of DAC **Bo Karlberg**.

The preparations to **Euroanalysis in Belgrade 2011** progress according to plan. The venue for Euroanalysis in Belgrade will be inspected by the StC in March 2010. The exact time and venue will be decided at the StC meeting in Innsbruck. **NB! visa needed for Belgrade.**

Please also remember to promote the EuCheMS Newsletter to your National Societies!

With all best wishes, we are looking forward to seeing you in Innsbruck!
